

Indi Knee Joint

Features

Waterproof for all situations

Sizes available for the **smallest to largest** patients

Available with **long or short uprights**

+ Maximum **extension 5°** and **flexion 140°**

+ **Posterior offset** proportionally adjusted to joint size

+ **Noise dampener** with self-locking setscrew for higher patient acceptance

Additional functions with the **Strecker add-on**

Fabricated from **high-strength titanium**

Standard

Fully assembled as one item for clear cost estimates and uncomplicated ordering

Machined uprights and offset connection ensure **optimal transfer of force**

Upper section **CNC-machined from one piece** of material for increased stability

Precise assembly calibrated to 1/100mm with self-lubricating washers for smooth operation free of play

Maintenance-free stainless steel joint assembly with bronze bushing

Unrivalled **20-month guarantee**

Engraved **serial number** for traceability

Clearly illustrated instructions for use
